This is not a deferred interest program. Providers are responsible for understanding the rules and regulations associated with government payor programs such as Medicare, Medicaid, the State Children's Health Insurance Program (SCHIP), the Department of Defense TRICARE and TRICARE for Life programs (DOD TRICARE), the Veterans Health Administration (VHA) program, and the Indian Health Service (IHS) program. If the service is to be claimed through a government payor program, the service is ineligible for patient financing. Patients will be declined financing due to Open Bankruptcy, Fraud Alert or Terrorist Watch List.
